### 3. Fill Out the Sign-Up Form

- On the sign-up page, a form will appear. You will be prompted to enter the following details:
  - **Username:** Choose a unique username.
  - **Email Address:** Enter a valid email address. This will be used for account verification and communication.
  - **Password:** Create a secure password. Be sure to follow any specific requirements (e.g., minimum length, use of special characters).
  - **Confirm Password:** Re-enter the same password to confirm it.

### 4. Submit the Form

- Once all fields are completed, click on the **Sign Up** button to submit the form.

### 5. Completion

- After successful sign-up, you will be redirected to the home page. To log in, use the credentials you just created.

### Troubleshooting

- If you encounter any issues during sign-up (e.g., missing required fields, password mismatch), error messages will appear to guide you through resolving them.

## 1.2 Logging On

### 1. Navigate to the Login Page

- At the top of the page, locate the **Log In** button in the navigation bar and click it.

### 2. Enter Your Credentials

- You will be directed to the login page where you'll see two fields:
  - **Email Address or Username:** Enter the email address or username you used when creating your account.
  - **Password:** Type in the password associated with your account.

### 3. Optional: Remember Me

- You have the option to check a **Remember Me** box. This will keep you logged in on the current device, so you won't need to log in again the next time you visit.

### 4. Submit Your Credentials

- Once both fields are filled out, click the **Login** button.

### 5. Account Access

- If the information is correct, you will be directed to the home page.
- If any of the login information is incorrect, you will see an error message. Double-check your credentials and try again.

### 6. Forgot Password?

- If you cannot remember your password, click the **Forgot Password?** link found below the login form.
- You will be prompted to enter your email address, and a password reset link will be sent to your inbox.
